

"Working for a Better Tomorrow"

Dear Neighbor,

We won the primary, thank you for your support! Now we need to win the general election so I can represent you next year. So far, my opponent has outraised me and has more resources for the general election. He continues to rely on out of district elites, large unions, tribes, and PAC's, to overcome our winning momentum, with lies and unfounded attacks against me and those who share our vision of the future.

We need a change of leadership in Olympia. Government's response to Covid has decimated our economy. The science is telling us it is time to re-open schools and open up the economy again for small business. Extreme One-party state control continues to undermine and destroy the quality of life and stability of Washington State, and things will only get worse if we do not regain more balance in the legislature. This is a seat we can flip from Democrat to Republican and I intend to do it.

My opponent was instrumental in enacting state-required comprehensive sex education beginning in Kindergarten; I am adamantly against this legislation. I will fight the ongoing attempts to eviscerate our Constitution and will stand up for property owners. I strongly support the Navy and NAS Whidbey as vital to our national security and regional economy.

As your next state Representative, I will fight the current majority party big government, anti-business, tax and spend agenda. We need a Representative that believes in less government control, and more opportunity and freedom for individuals, families, and businesses.

I will work hard to defend your rights and the interests of the people of the 10th Legislative District and throughout the state. I promise that electing me is a step toward bringing much needed tax relief, fiscal responsibility, and transparency back into our government.

But to win, I need additional support. If you have the resources, please donate to my campaign. The maximum donation allowed by law is \$1000 (per person / per entity). A donation of \$500, \$250, 100, and \$50 will help buy a radio ad or yard signs. Your contribution is very much appreciated and is a good investment for our community, district, state, and future generations.

For more information about my campaign please see **BillBruchforHouse.com**. Thank you for your support!

Respectfully,

Bill Bruch
LD 10 State House Candidate
